**Subject:** PRESS RELEASE 03/20/14 - Robinson Street Underpass Closure

## **PRESS RELEASE**

**City of Norman**  
**201 West Gray**  
**Norman, Oklahoma 73069**

For Immediate Release: March 20, 2014

Contact: Josh Malwick, Capital Projects Engineer, (405) 366-5452

### **ROBINSON STREET UNDERPASS CLOSURE**

On Monday March 24, 2014, the contractor will close the inside eastbound lane of Robinson Street between the west side of Flood Avenue and continue east past Stubbeman Avenue. The outside eastbound lane and one left turn lane onto Stubbeman Avenue will remain open at all times. The lane closure will allow the contractor to place the remaining topsoil and install the shrubs in the center median. The lane closure will begin at 9:00 A.M. and reopen at 3:00 P.M. each day. Weather permitting, the work should be complete on Friday, March 28, 2014. Signs will be placed to direct the traveling public.

The Robinson Street Underpass Project from 500 feet west of Flood Avenue to 500 feet east of Stubbeman Avenue is a \$25 million street improvement project approved by the Norman voters as part of the 2005 Bond Election. The roadway and bridge construction was complete in November 2013. The last phase of this project is to install landscaping and irrigation. The landscape prime contractor is Marcum's Nursery.

Additional questions may be directed to Mr. Josh Malwick, City of Norman Capital Projects Engineer, at (405) 366-5452.
